

EVIDENCE-BASED PRACTICE POLICY GROUP

A Subcommittee of the Leadership Council for Clinical Quality, Safety and Service
For the period of: 07/01/17 to 06/30/19

Charge: To develop and implement OSUWMC-specific references and tools to support evidence-based guideline recommendations and best practices to improve patient care processes, reduce variation in practice, and support medical education. To develop a process to measure and evaluate use of guidelines and outcomes of care, design real-time evaluation mechanisms, and provide feedback to impact care at the point-of-service.

Meeting dates and times: The third Wednesday of every month from 12:00pm – 1:30pm

Meeting location: 190 Doan Hall
